Under no circumstances is this report to be used or considered as an offer to sell, or a solicitation of any offer to buy any security. Any such offering may be made only by means of an offering memorandum and/or investor agreement that will be furnished to prospective investors who express further interest in the strategy. Each potential investor is advised to review the offering memorandum and/or investor agreement of the relevant investment product and consult with his/her own advisors regarding the suitability of an investment in the relevant investment product by such potential investor. An investment in the strategy is speculative and involves a high degree of risk. The strategy's performance can be volatile and there can be no assurance that the strategy will achieve its investment objectives. While an investment in the strategy may result in profits, it may also result in losses – investors may lose all or a substantial amount of their investment. The strategy may employ leverage which can magnify gains or losses. PAST PERFORMANCE IS NOT INDICATIVE OF FUTURE PERFORMANCE. Performance returns shown are a composite of actual returns of all managed accounts, net of all fees.
